### **Notification on BTech Admission Under DASA Scheme 2020**

Due to prevailing Covid-19 pandemic situation and difficulty for physical reporting due to unavailability of flights and shortage of time for planning and meeting mandatory quarantine requirements by the candidates and parents it is decided that candidates shall undergo online reporting to Institute instead of physical reporting as per the DASA 2020 schedule. The procedure for online reporting to the Institute will be notified at the Institute website.

The candidates and the parents are requested to note that only provisional admission will be granted during online reporting. The admission shall be confirmed subjected to verification of documents with original documents during physical reporting later.

Since NIT Goa is operating from transit campus, limited facility hostel accommodation is available on campus. Candidates and parents are requested to make a note of this before taking admission.
