**NOTICE**

It is to inform to all the students of NIT Goa that no decision is taken for the starting of offline classes for the UG and PG students due to the Covid pandemic. It is learnt from the activity that some fake news are being spread regarding this. Hence, it is informed to all the students that online classes for all students will continue till further order and whenever offline classes are going to start it will be informed officially to each student. All the students are hereby advised to adhere to the online mode of attending classes.

This notice is issued with the approval from the competent authority.
