Department of Electronics and Communication Engineering

Advt. No.: IOW43/11-1-2018

Dated: January 12, 2018

Advertisement for the Position of SRF

Applications are invited from the interested candidates for the post of Senior Research Fellow to work on the R&D project titled “**Design and Development of Robust Distributed Nonlinear Channel Equalization and Identification**” sanctioned by Science and Engineering Research Board (SERB), New Delhi. The staff will be appointed initially for one year (on contract) and their services will be extended for next year based on the performance review.

S No.	Position	Area of Specialization	Duration	Consolidated Salary	Number of Positions
1	Senior Research Fellow	BE/BTEch with GATE or M.Tech./MS(R)/M.E. in Communications Engineering/ Electrical Engineering	Initially for the period of one year which may be extended	Rs. 30,000/- (Per month) + HRA as per institute norm	01

Eligibility:

1. M.Tech./MS(R)/M.E./equivalent in Communications Engineering/ Electrical Engineering with strong background on digital and wireless communication, signal processing with at least 6.5 CGPA or 60 percent marks in aggregate from a recognized technical institute or university as a full time program.

Objective of the Project

The project work intends to develop new, efficient, robust and fast distributed adaptive algorithm for nonlinear channel equalization and identification in the impulsive noise environment. The bio-inspired techniques are to be developed in a distributed manner for training various adaptive algorithms to get an efficient and intelligent model for this problem.

Application Process

Application form (as given below) giving all the details and attested copies of certificates, supporting documents and experience should reach the undersigned latest by **February 09, 2018**. Candidates who are already employed should produce relieving certificate from their employers, if selected. The written test/interview will be conducted for all the eligible candidates. The applicants need to bring all the original documents for verification during written test/interview. The list of shortlisted candidates will be posted in the NIT Goa website (www.nitgoa.ac.in) along with the date and time of the written test/interview.

Department of Electronics and Communication Engineering

Attention:

1. The applicant will be responsible for the authenticity of information, other documents and photographs submitted.
2. The Institute reserves the right to accept application at any time, and consider candidates of exceptional credentials without applications. Qualification and experience may be relaxed by the Institute at any point of time for otherwise exceptional candidates.
3. Mere, possessing the prescribed qualification does not ensure that the candidate would be called for Interview. The Candidates will be shortlisted on the basis of merit and need of the project.
4. Shortlisted Candidates will be informed by email (apart from website) about the interview date. So, the Candidate must provide valid E-mail IDs in their applications.
5. Shortlisted candidates have to present themselves for the interview on the interview date with updated CV and original and attested photocopies of mark sheets/ certificates in support of their academic qualifications.
6. Applicants in employment (private, government or any other organization) are required to submit a “No Objection Certificate” from the employer at the time of interview.
7. No TA/DA will be paid for appearing in the interview.
8. Bio-data format is being provided with this notification. The candidates are required to bring duly filled in bio-data format along with photocopies of required documents.
9. Last date for receiving the duly filled in application is **February 09, 2017**.
10. Intimation regarding written test/interview shall be posted on the Institute website.
