

2025 IEEE 4th International Conference

Smart Technologies for Power, Energy and Control (STPEC 2025)

December 10 -13, 2025 | NIT Goa, Goa, India

Call For Tutorial

The IEEE International Conference on Smart Technologies for Power, Energy, and Control (STPEC 2025) invites proposals for tutorials to be held during the conference, scheduled from December 10-13, 2025, at the National Institute of Technology, Goa, India.

The tutorial sessions aim to provide participants with in-depth, practical knowledge on emerging and cutting-edge topics within the conference's scope. By facilitating these sessions, we seek to:

- Bridge the gap between theoretical concepts and real-world applications.
- Offer participants the opportunity to learn from domain experts with substantial experience.
- Promote skill development and understanding of state-of-the-art technologies.
- Inspire innovative thinking and collaboration across disciplines.

These sessions will benefit not only students and early-career researchers but also seasoned professionals looking to expand their expertise.

Tutorial Topics

- **Topic includes, but are not limited to:**
 - Power Electronic Converters and Their Control
 - Smart Grid Technologies and Applications
 - Renewable Energy Systems and Integration
 - Distributed Generation and Grid Interconnection
 - Electric Vehicles and Charging Infrastructure
 - Energy Storage and Battery Management
 - Control Systems in Power and Energy
 - AI for Power and Energy Industrial Processes and Industry 5.0

Benefits to Tutorial Speakers:

- **As a tutorial speaker, you will gain:**
 - Recognition as an expert in your field.
 - A platform to share knowledge & inspire participants.
 - Networking with global researchers, professionals, & academicians.
 - Enhanced visibility in the conference community.
 - Complimentary registration (as per conference terms).

Submission Guidelines

Proposals should include:

- Tutorial title
- Abstract (max 300 words)
- Detailed outline
- Target audience & prerequisites
- Duration (90 min)
- Multiple tutorials if applicable
- Presenter(s) info with brief bio & experience.

Important Dates:

- Proposal Submission Deadline: : September 30, 2025
- Notification of Proposal Acceptance : October 15, 2025
- Tutorial Materials Submission Due : November 15, 2025

Submission Process:

- Please submit your tutorial proposals via email to stpec2025@nitgoa.ac.in, with a CC to the Tutorials Chair at priyeshchauhan@iitram.ac.in, using the subject line: "STPEC 2025 Tutorial Proposal."
