

National Institute of Technology Goa
Farmagudi, Ponda-403 401, Goa

Registration Form

Name:

Gender: Male/Female

Designation :

Qualification:

Department:

Organization:

Contact Address:

Contact No.

E-mail:

Details of Registration Fee:

DD No: Date:

Bank: Branch

Amount in Rupees:

Signature of the Applicant

Signature of Sponsoring Authority (if any):

Organizing Committee

Patron

Prof. G R C Reddy

Director

National Institute of Technology Goa

Convener

Dr. Damodar Reddy Edla

Asst. Professor, Dept. of CSE

National Institute of Technology Goa

Co-convener

Dr. P. Saidi Reddy

Asst. Professor, Dept. of HSS

National Institute of Technology Goa

Resource Persons (confirmed so far)

1) Mr. Praveen Kumar S

Scientist E

Department of Science and Technology (DST)

New Delhi.

2) Dr. Garimella Rama Murthy

Associate Professor

International Institute of Information

Technology (IIIT) Gachibowli, Hyderabad.

Address for Correspondence

Dr. Damodar Reddy Edla, Asst. Professor

Computer Science and Engineering

National Institute of Technology Goa

Farmagudi, Ponda-403401, Goa.

E-mail: dr.reddy@nitgoa.ac.in

Phone: +91-9765127163 (P), +91-832-2404213 (O)

Venue

Department of Computer Science and Engineering

National Institute of Technology Goa, Farmagudi.

How to reach NIT Goa

NIT Goa is located in Farmagudi, Ponda. The Dabolim airport is about 30 kilometers and the nearest Railway Station is at Madgaon which is about 20 kilometers from the Institute. The Ponda Bus stand is about 4 kilometers.

NATIONAL WORKSHOP
ON

**“HOW TO WRITE
RESEARCH PROJECTS”**

(8th July, 2015)

Organized by
Department of

Computer Science and Engineering
National Institute of Technology Goa
Farmagudi, Ponda, 403401, Goa.

About NIT Goa

The National Institute of Technology Goa (NITGoa) is a premier technical Institute of the region. NITGoa was established in the year 2010 by an act of parliament (NIT act 2007) and it is declared as 'Institute of National Importance'. NITGoa is an autonomous Institute and functioning under the aegis of Ministry of Human Resource Development (MHRD), Govt. of India. The Institute offers Under Graduate and Post Graduate courses in three Engineering Departments: (1) Computer Science and Engineering (2) Electronics and Communication Engineering and (3) Electrical and Electronics Engineering. The Institute also offers Ph.D in all these engineering departments. Along with that the Institute also offers Ph.D programme in Mechanical Engineering, Physics, Chemistry, Mathematics, Economics and English. The Institute admits students into B.Tech program on the basis of ranks obtained in the Joint Entrance Examination JEE(Mains) and the scheme of Direct Admission to Students Abroad (DASA). The institute has been sincerely attempting to deliver quality education and to achieve excellence in teaching, learning and research with high professional ethics. For M.Tech Programme, the Institute admits students through valid GATE score followed by CCMT (Centralized Counselling for M.Tech Admissions).

About Department of CSE

Department of Computer Science and Engineering was established along with the stepping stone of the Institute. The department currently offers Under Graduate, Post Graduate and Ph.D. programs leading to the award of B. Tech, M. Tech and Ph.D. Degrees in Computer Science and Engineering. The department is guided by highly qualified and energetic faculty members with diverse research interests. On research front, the students are exploring innovative ideas in the fertile areas of Data Mining, Information Security, Pattern Analysis, Distributed Systems, Algorithm Design, Artificial Intelligence, Wireless Sensor Networks and many more. In order to match with the fast pacing technologies, various workshops and seminars are being organized by the department throughout the year.

About the Workshop

Research Projects these days are gaining an unprecedented focus and attention from research community. The main challenge here is to identify a researchable area/topic in any academic discipline that has an ample scope to be explored in terms of research projects with significant applications. Finding a methodology to adopt to get solutions for state-of-the-art challenges in such areas is the most valuable part of the research work. Once you have begun your research project on such areas, it helps you to remain on track of the

area. Therefore, the workshop addresses different challenges involved in writing a good research project and provides insights into various research schemes sponsored by several external research funding bodies. The workshop is intended to motivate the young faculty, research scholars and industry people to take-up collaborative and interdisciplinary research projects. Broadly, the tentative topics of the workshop are as follows.

- Information on various research schemes/agencies
- Main qualities a research proposal should possess
- Emphasis on young-faculty researcher scheme
- Inter disciplinary research projects
- Where to submit research projects

Targeted Audience

- Faculty Members.
- Industry Persons.
- Research Scholars.

Registration Fee

Rs2000: For faculty members, Industry persons
Rs1500: For fulltime research scholars

Registration Fee includes

- 1) Workshop Kit
- 2) Certificate of participation
- 3) High-Tea and Lunch
- 4) Local trip to some places of Goa

Accommodation

Accommodation for the participants will be provided on payment basis at nominal charges. For more details, contact the programme coordinator.

Instructions

1. The number of seats is limited to 30.
2. Registration will be on First Come First Serve basis.
3. DD should be drawn in favour of "Director NITGoa" payable at Goa.
4. The deadline for receiving the duly filled in registration form is 30 June, 2015.
5. The participants may send an advance copy (scanned) of the filled in registration form along with the DD to dr.reddy@nitgoa.ac.in to confirm the registration.
