**1. Relaxation to MSEs and Start-ups (Revised Provisions):-**

**i) EMD Exemption:-**

MSEs and Start-ups shall be exempted from payment of Earnest Money Deposit (EMD), as per Government of India guidelines, subject to submission of valid documentary proof.

**ii) Technical Capability – No Exemption on Experience:-**

In accordance with Rule 173 of the General Financial Rules (GFR), 2017, and pursuant to the provisions under Paragraph 3 of Department of Expenditure O.M. No. F.20/2/2014-PPD (Pt.) dated 20th September 2016, and considering the critical and essential nature of hostel mess services, which have a direct bearing on the health, hygiene, food safety, and well-being of approximately 900 resident students, the Competent Authority has decided that no exemption shall be granted to any bidder, including Micro & Small Enterprises (MSEs) and Start-ups, with respect to the minimum prior experience requirement prescribed in the tender document.

The prior experience requirement is treated as an essential technical qualification necessary to ensure satisfactory execution of the contract. Accordingly, relaxation in experience criteria, otherwise available to MSEs/Start-ups under Government of India guidelines, is not applicable for this tender.

**Note:-**

Large-scale institutional catering involves high-volume community cooking, continuous service delivery, strict adherence to food safety and hygiene standards, and effective supply-chain and manpower management. In view of the associated operational and public health risks, prior experience in similar large-scale institutional catering services is considered a non-relaxable technical safety requirement for this procurement.
