

RULES AND REGULATIONS

for

Bachelor of Technology (B.Tech.) Programme

(Applicable to 2023 Admission Onwards)

(Approved in 23rd meeting of the Senate)

With amendments till March 2024

राष्ट्रीय प्रौद्योगिकी संस्थान गोवा

NATIONAL INSTITUTE OF TECHNOLOGY GOA

कोट्टामल प्लाटू, कुंकोलिम, सालसेट, दक्षिण गोवा, गोवा – ४०३७०३, इंडिया

Kottamoll Plateau, Cuncolim, Salcete, South Goa, Goa- 403703, India

ORDINANCES

1. This booklet provides comprehensive information on the Rules for B.Tech. programme in NIT Goa.
2. The provisions in these Rules govern the conditions for admissions, structure of programme, imparting courses of instructions, conduction of examinations and evaluation of performance of students leading to the B.Tech. programmes.
3. Eligibility for admission, admission policy and procedure shall be decided from time to time by the Senate and Board of Governors (BOG) of the Institute, following guidelines issued by Ministry of Education (MoE), Government of India.
4. The duration of the B. Tech. programme will normally be for 8 semesters.
5. The award of B.Tech. degree shall be in accordance with the regulations of the Senate of the Institute.
6. The provisions of these Rules shall also be applicable to any new discipline that will be introduced from time to time and added to the list of Academic Programmes.
7. Notwithstanding any that are stated in the ordinance and regulations, the Senate of the Institute has the right to review, change, modify any of those from time to time or as the case may be.
8. In case of any doubt or dispute arising about the interpretation of the Ordinance and Rules, the same shall be referred to the Chairperson, Senate whose decision shall be final and binding for all the concerned.

RULES AND REGULATIONS

B1. Admissions

- B1.1. Admission to all courses is made in the ODD semester of an academic year at the first year based on relative performance in Joint Entrance Examination (JEE main), and Direct Admission of Students Abroad (DASA) as per the guidelines issued by the Ministry of Education (MoE), New Delhi from time to time.
- B1.2. The number of seats in each branch of the B.Tech. programme is decided by the Senate of the Institute following the instructions from MoE, Government of India. Reservation of seats to different states, castes, tribes, and other categories shall be as per the directives from MoE, Government of India. Some seats are allotted by MoE under DASA (Direct Admission Student Abroad) category, offered to Foreign Nationals and Indians living abroad in accordance with the rules applicable for such admissions issued from time to time.
- B1.3. At the time of admission, the candidates should have passed/appeared and awaiting results of the final examination of the 10+2 system or its equivalent with Mathematics, Physics and Chemistry as main subjects of study.
- B1.4. Candidates have to fulfill the medical standards required for admission as set out in the information brochure of JEE-Main/or by the Central Seat Allocation Board (CSAB).
- B1.5. The selected candidates will be admitted to the B. Tech. programme after they fulfill all the admission requirements set by CSAB/Institute after payment of the prescribed fees.
- B1.6. In all matters relating to admission to the B. Tech. programme, the decision of the CSAB and its interpretation given by the Chairperson of the Senate shall be final.
- B1.7. If at any time after admission, it is found that a candidate has not fulfilled any of the requirements stipulated by CSAB/Institute, the Institute may revoke the admission of the candidate and report the matter to the Senate.

B2. Structure of the B. Tech. programme

- B2.1. The medium of instruction, examination and project reports are in English.
- B2.2. Undergraduate B.Tech Degree programmes are offered by the departments (i) to (v) and all the below listed departments offer courses in the B.Tech Programme.
- i) Computer Science and Engineering (CSE)
 - ii) Electrical and Electronics Engineering (EEE)
 - iii) Electronics and Communication Engineering (ECE)
 - iv) Mechanical Engineering (MCE)
 - v) Civil Engineering (CVE)
 - vi) Department of Applied Sciences (APS), covering areas such as:
 - a. Mathematics (MA)
 - b. Physics (PH)
 - c. Chemistry (CY)
 - vii) Department is Humanities and Social Sciences (HSS), covering areas such as:
 - a. Economics (HS)
 - b. English (HU)

In addition, the departments also offer courses under mandatory learning category, Indian knowledge systems and others.

B2.3. The programme structure consists of the following:

- i) A general (common) core programme comprising of basic sciences, basic engineering sciences and technical arts, humanities and social sciences, Indian knowledge systems.
- ii) department core courses introducing the student to the foundations of engineering in the respective branch;
- iii) department elective courses enabling the student to opt and undergo a set of courses of interest;
- iv) Open elective courses enabling the student to opt and undergo a set of courses of interest from other departments for nurturing interdisciplinary interest;
- v) Professional practice including project, Comprehensive Viva-Voce and industrial training/summer internship (for 6-8 weeks) and,
- vi) Courses on Environmental Studies, Physical Education, Professional Ethics and Human Values, Liberal Arts, Innovation & Entrepreneurship.

B2.4. Every branch of the B.Tech. programme will have a curriculum and syllabi for the courses approved by the Senate. Every department has a prescribed course structure which in general terms is known as Curriculum or Course of Study. It prescribes courses to be studied in each semester. The courses of study bulletin are available in the Institute's website.

B2.5. The Institute follows a credit-based semester system. There are two regular semesters in a year. The semester normally that begins in July/August (*July/August to December*) is known as 'ODD' semester and the semester that begins in January (*January to May*) is known as 'EVEN' semester.

B2.6. The complete programme will consist of 9 classifications, as given in Table 1. namely- basic sciences, basic engineering sciences and technical arts, humanities and social sciences, Indian knowledge systems, department theory & practice, and Others, distributed over eight semesters with two semesters per academic year. Department Core courses will commence from the third semester. The elective courses will normally be offered from the sixth semester. However, the departmental board of studies will decide the final course structure.

B2.7. The academic programmes of the Institute follow the credit system. The general pattern is: one credit for each lecture hour per week per semester; two credits for each laboratory/practical session of three hours per week per semester, one credit for each laboratory/practical session of two hours per week per semester and one credit for each laboratory/practical session of three hours per week per half semester. However, there can be a few special courses with a slight variation in credit allotment.

B2.8. The curriculum of any branch of the B. Tech. programme shall have a total of minimum 168 credits. Every course of the B.Tech. programme will be placed in one of the classifications listed in Table.1. The minimum credits to be earned for the award of B.Tech. degree are 168.

B2.9. The courses - Physical Education, Environmental Studies, Professional Ethics and Human Values are of Pass/Fail (i.e., non-credit) category which will not be included in the computation of SGPA/CGPA. They are graded either Satisfactory (SA) or Unsatisfactory (US). However, satisfactory completion of these courses is mandatory for degree completion.

B2.10. Departmental courses (DC and DE) constitute atleast 60% of the total curriculum. Further, students are allowed open electives (OE) to broaden their inter-disciplinary knowledge base and to specialize in an area outside the parent discipline.

B2.11. As part of implementation of National Education Policy (NEP-2020), the Institute has introduced Minors in various disciplines.

Table 1: Course classifications of the B.Tech. programmes

Sl. No.	Classifications	Course Type	Credits For CGPA	Courses
1	Basic Sciences	BS	21	MA→11, PH→5, CY→5
2	Basic Engineering Sciences and Technical Arts	ES	21	EM→3, BMC→3, BES→6, CPPS→4, ED→3, WP→2
3	Humanities and Social Sciences	HU & HS	7	PC →4, ECO→ 3
4	Indian Knowledge Systems	IKS	5	HH →2 and an Open Elective Course →3
5	Others: Liberal Arts, Innovation & Entrepreneurship	OT	2	LA→1, IE→1
6	Mandatory Learning Courses (Non-Credit)	MLC	0	PE, ES, PEHV
7	Department Core	DC	79-85	Core Theory and Lab courses, Comprehensive Viva-Voce→1, Summer Internship→1, Project Work→5
8	Department Elective (including MOOCs or any other as approved by the Institute)	DE	21-27	7-9 Electives
9	Open Elective (including MOOCs or any other as approved by the Institute)	OE	0-6	Upto 2 Open Electives
Total Credits			168	
10	Minor Program	MR	18	

Course abbreviations used in Table 1 are as below:

MA : Mathematics	CPPS : Computer Programming and Problem Solving	LA : Liberal Arts
PH : Physics	ED : Engineering Drawing	IE : Innovation & Entrepreneurship
CY : Chemistry	WP : Workshop Practices	PE : Physical Education
EM : Engineering Mechanics	PC : Professional Communication	ES : Environmental Studies
BMC : Basics of Mechanical and Civil Engineering	ECO : Economics	PEHV : Professional Ethics and Human Values
BES : Basic Electrical Engg. / Basic Electronics Engg.	HH : Health and Happiness	MOOCs : Massive Open Online Courses

B3. Faculty Advisor

B3.1. To help the students in planning their courses of study and for getting general advice on the academic programme, the concerned department will assign a certain number of students to a faculty member who will be called as their faculty advisor.

- i) Faculty advisor is nominated by the Head of the Department (HoD).
- ii) In the first year, a faculty advisor shall be allotted by the first year HoD for a duration of

one year.

- iii) A new faculty advisor shall be allotted in the second year (when the student enters their parent department), and the student shall have the same faculty advisor till the completion of the programme.

B3.2. Responsibilities of a Faculty Advisor (FA) are as below-

- i) A faculty advisor must help the students in planning their courses and activities during the study.
- ii) They should guide, advice and counsel the students on academic programme and registrations.
- iii) They should register the students for the course work in both the even and odd semesters.
- iv) Any application made by a student shall be forwarded by FA with recommendations.
- v) Any action taken with regard to the student shall be communicated to the FA
- vi) Must convene all the class committee meetings
- vii) FA should present the results of even and odd semesters to Department Class Committee (DCC) in consultation with the Course coordinators.

B4. Change of Branch

Normally, a student admitted to a particular branch of the undergraduate programme will continue studying in that branch till completion. However, Institute may permit a student admitted through JEE (Main)/DASA quota, to change from one branch of studies to another after the first two semesters. Such changes will be permitted, in accordance with the provisions laid down hereinafter, by the concerned competent authority.

- i) Normally, only those students will be eligible for consideration of a change of branch, who satisfy the below minimum criteria,
 - a. have completed all the credits required in the first two semesters of their studies in their first attempt;
 - b. have obtained a **CGPA ≥ 8.5 at the end of the SECOND semester**. Mandatory learning courses (i.e., Non-Credit) will not be considered for change of branch criteria.
- ii) Application for change of branch must be made by the intending eligible students in the prescribed form and is to be submitted within 15 days after second semester result declaration date. No separate notification will be released.
- iii) Mere submission of application for change of branch and fulfilment of minimum eligibility criteria will not guarantee change of branch. It will be permitted only to vacancies available corresponding to the category of admission (JEE (Main)/DASA quota).
- iv) The applicants may be allowed a change in branch, strictly in order of merit, subject to the limitations as given below:
 - a. The actual number of students in the third semester in any particular branch to which the transfer is to be made should not exceed the sanctioned strength, and the actual number of students in any branch from which transfer is being sought does not fall below 75% of the total sanctioned intake.
 - b. If a student S1 is not eligible to change from branch A to B due to the above clause (a), any other student S2 from any branch with CGPA of less than S1 will also not be permitted to change to branch B.

- c. In case of a CGPA tie, the merit list shall be prepared based on the JEE (Main), All India Rank (AIR) for the tie applicants.
- v) The process of change of branch shall be completed on or before the first day of registration for the third semester courses.

B5. Course Registration and Enrolment

- i) The first semester course registration will be carried out by the Institute and hence no separate registration by the students will be required.
- ii) Students in the second and higher semesters are required to register for courses in accordance with the semester-wise published course schedule at the beginning of the corresponding semester. Students are required to submit course registration form duly filled, in consultation with their faculty advisor.
- iii) A student who has cleared all the academic requirements up to the previous semester will register for all courses of the current semester as per Institute norms.
- iv) **Maximum Course limit:** A student can register upto a maximum of one course in addition to the prescribed courses in a particular semester.
- v) Registration rules for students with backlog courses:

Rule No.	No. of Backlog courses being offered in the present Semester (excluding the non-credit courses)	CGPA	Registration rule
a	01	N.A.	Register the backlog course being offered in addition to the prescribed courses of the semester.
b	More than 01	> 5	Register the backlog courses being offered and remaining courses of the semester within the maximum course limit given in B5 (iv).
c	02 to 04	≤ 5	Register the backlog courses being offered and a maximum of 3 courses of the semester.
d	More than 04	≤ 5	Register only the backlog courses being offered and student is put on slow-pace learning.

- vi) All the provisions of B26 (termination of registration) will be applicable and have to be checked before course registration.
- vii) All backlog courses of the corresponding semester have to be registered first. Subsequently, registration of prescribed semester courses is permissible.
- viii) A student can enroll in a higher semester if they satisfy all above constraints in addition to:
- they have cleared all dues in the Institute, Hostel and Library up to the end of the previous semester and
 - they are not debarred from enrolment by a disciplinary action of the Institute.
- ix) If the students find their course load heavy in any semester or for any other valid reason, they may drop courses within three weeks of the commencement of the semester or as mentioned in the academic calendar, whichever is earlier, with the written approval from their faculty Advisor and HoD.
- x) Slow-paced learning: Courses to be registered normally are specified in the curriculum. However, a student may register for a lesser number of credits than specified in the curriculum, provided it does not extend their programme for more than 4 semesters (i.e., 8+4 semesters or 6 years).

B6. Additional courses for registration

- B6.1. Academically well performing students, with **CGPA** ≥ 7 , who never had any backlogs, are allowed to register for an additional course in each semester, within the prescribed four years duration.
- B6.2. Such a student is permitted to register for one additional course from **4th Semester** to allow early completion of course work by 7th Semester, so that the student can pursue project internship at Industry/IISc/IITs/NITs during the final semester of the B.Tech programme.
- B6.3. However, a student registered in a minor programme will not be allowed to do early completion of B.Tech programme.

B7. Transfer of Credits

- B7.1. The students are allowed to credit courses offered by reputed Indian or Foreign Institutions (or) Institutions with which MOU is signed, during their study period at NIT Goa, with approval of the competent authority. The credits obtained through successful completion of the course may be counted towards the credit requirements for the award of degree. The transferred credits will reduce the number of courses to be registered by the student at NIT Goa. The guidelines for such transfer of credits are as follows:
- i) B.Tech students with consistent academic performance and **CGPA** ≥ 8.5 or as per the MOU provision of the other Institution, can credit courses approved by the concerned department, in other Institutions during 3rd and 4th year and during summer breaks.
 - ii) Credits transferred will not be used for SGPA/CGPA computations. However, credits transferred will be considered for overall credit requirements of the programme.
 - iii) Students can earn external credits only from IISc/IITs/NITs/IIMs and other Indian or foreign Universities/Institutes/Colleges with which NIT Goa has an MOU (and that MOU must have a specific clause for provision of credit transfer by students).
 - iv) Credits transfer can be considered only for the courses at same level i.e UG/UG equivalent, and is allowed **only for elective courses**.
 - v) All the department core courses have to be carried out at NIT Goa only.
 - vi) A student must provide all details (original or attested authentic copies) such as course contents, number of contact hours, course instructor/project guide and evaluation system for the course for which credit transfer request is made. These details will be evaluated by the concerned department and they will then decide the number of equivalent credits the student will get for such course(s) in NIT Goa. The complete details will then be forwarded to Dean (Academics) for approval.
 - vii) The maximum number of credits that can be transferred by a student from any other approved Institute (where a student had spent a semester or taken a course) shall be limited to **15** (as per NIT Goa's equivalence) and can be done **from 5th Semester onwards**.
 - viii) A student has to get minimum passing grades/marks for such courses for which the credit transfer is to be made.
 - ix) Credit transfers availed by a student shall be properly recorded on academic record(s) of the student.
- B7.2. A student should submit a request for credit transfer from online platforms like SWAYAM-NPTEL/MOOCs Courses at the semester starting and the grades obtained after successful completion has to be informed before the last instruction day of the eighth (8th) Semester of the B.Tech. programme as specified in the Academic Calendar. A student can register for a maximum of 2 MOOCs courses upto a total of 8 credits within their B.Tech programme.

B8. Temporary discontinuation

- B8.1. A student may be permitted to discontinue temporarily from the programme for a semester or a longer period for reasons of medical problems or other valid reasons beyond control of the student. Normally, a student will be permitted to discontinue from the programme only for a maximum duration of two semesters.
- B8.2. The student when applies for withdrawal from a semester, withdrawal from all courses registered in that semester will be considered and partial withdrawal from the registered courses is not allowed.
- B8.3. In case of request for withdrawal on medical ground, the student must produce a certificate from the Institute Medical Center (IMC). Certificate from a registered medical practitioner will also be accepted, provided registration and contact details of the medical practitioner appear explicitly on the certificate. However, such certificate will have to be endorsed by the IMC.
- B8.4. Application for semester withdrawal must be made as early as possible and latest by one week before the start of the end term examination. No applications for semester withdrawal will be considered after this time limit. The applications are to be submitted preferably in the Institute format, stating fully the reasons for such withdrawal together with supporting documents and endorsement of the parent/guardian. Academic Advisory Committee (AAC), depending on the merit of the case, may approve such applications.
- B8.5. National Education Policy (NEP-2020) also allows students to take temporary discontinuity with a valid reason. A student with consistent academic performance and **CGPA ≥ 8.5** will be allowed to take up a job break and then return back to complete the degree. The maximum time period allowed for the break is ONE year. This break is intended to facilitate a good blend of theoretical and practical knowledge. Students who intend to take such temporary discontinuity will have to apply early and can take break ONLY after successfully completing second year. Upon the recommendation from the HoD, AAC and Senate Chairperson's approval, the student will be allowed for this temporary discontinuity.
- B8.6. Once the student resumes back to the course work, post any temporary discontinuity, the creditable courses to be registered will be decided by the faculty Advisor in consultation with the HoD. The same shall be communicated to AAC.

B9. Multiple exit criteria

Multiple exit options will be provided to the students based on the merit of the case.

B10. Maximum duration of the programme

The normal duration of the B.Tech programme is eight semesters. However, a student may complete the programme at a slower pace by taking more time, but in any case, not more than 12 semesters, excluding the semesters withdrawn on medical grounds, or for valid reasons beyond control of the student.

B11. Discipline

- B11.1. Every student is expected to observe discipline and decorous behavior both inside and outside the campus and should not indulge in any activity which will tend to bring down the dignity of the Institute. Please refer **B30** for more details on disciplinary actions taken due to unfair means during examinations.
- B11.2. Any act of indiscipline including any act of ragging by a student reported to the AAC will be referred to Disciplinary Committee (DC) constituted by the Chairperson of the Senate.

The Committee will enquire into the charges and decide suitable punishment if the charges are substantiated. The DC will also work with the AAC to implement the decision.

B11.3. The student may appeal to the Chairperson, Senate whose decision will be final. The AAC will report the action taken at the next meeting of the Senate.

B12. Attendance requirements

B12.1. All students are expected to attend the classes regularly and maintain 100% attendance. Every member of the faculty handling a class shall record attendance on all days of instruction. The teacher of the course is required to finalize the attendance on the last instructional day of the course in the semester.

B12.2. A student whose attendance is less than 80% for a course is not eligible to appear for the End-term examination for that course.

B12.3. The details of all students who have attendance less than 80% in a course will be announced by the teacher in the class. These details will be sent to the concerned HoDs and AAC.

B12.4. Those who have 80% or more attendance for the period other than their medical leave will be considered for condonation of shortage of attendance, provided, the overall attendance in the course including the period of illness does not fall below 75%. Application for condonation, recommended by the Faculty Advisor, concerned faculty and the HoD is to be submitted to the AAC on or before the last instructional day of the semester. The AAC, depending on the merit of the case may permit the student to appear for the end term exam. *A student will be eligible for this concession at most in two semesters during the entire degree programme.* Application for medical leave, supported by medical certificate with endorsement by the Institute Medical Officer (IMO), should reach the HoD within seven days after returning from leave or, on or before the last instructional day of the semester, whichever is earlier.

B12.5. Students who are involved in extra-curricular activities, and those who represent the Institute in Sports & Games, Cultural Festivals, and Technical Festivals outside the Institute, should take prior approval from the HoD, Faculty Advisor and Teachers of the concerned courses. As an incentive to those, relaxation is provided such that their attendance should not fall below 75%. Additionally, specific to the nature of the activity, prior approval in writing needs to be taken from the following, citing reasons for absence.

i) Concerned Faculty Advisor and/or Faculty coordinator of the event - Technical Paper presentation/Attending Technical Festival.

ii) Sports officer - Sports & Games.

All such applications for the condonation should be recommended by the concerned HoD and forwarded to AAC within seven instructional days after the programme/activity.

B12.6 A student will be awarded 'W' grade (Failure due to insufficient attendance) in the end term examination if the attendance falls below the prescribed percentage in a course. Further, the student will not be eligible to appear for re-examination.

B13. Assessment Procedure

The CC/DCC will decide from time to time the system of tests and examinations in each subject in consultation with AAC and inform the same to the Senate.

B14. Internal Evaluation

B14.1. For lecture or lecture cum practical courses, two tests will be conducted. The details of weightage of marks for the tests and assignments will be decided by the course

coordinator in consultation with the DCC. These details will be announced to the students in the beginning of the semester. The AAC should be informed of these details in the beginning of the semester. For laboratory practical, the teacher of the laboratory in consultation with the DCC decides the number of tests.

- B14.2. For all Lecture based courses, mid-term exam (25%) and internal evaluation (25%) through class tests/assignments/quizzes, etc, together carry 50% weightage and the End-term examination carries 50% weightage. For laboratory practical, End-term exam is not mandatory. If End-term exam is planned for a practical course, it should be conducted before the last instructional day *and the weightage for it should not exceed 40%*. For lecture cum practical courses assessment procedure is to be a properly weighted combination of those for lecture and those for practical components and is to be decided in the DCC. For all Pass/Fail courses, the concerned faculty, in consultation with the AAC shall decide the assessment procedure.

B15. Comprehensive examination

- B15.1. The comprehensive examination conducted in the 7th Semester will be for 100 Marks. The question paper will be of objective type (multiple choice) questions similar to the GATE examination pattern covering all the department core subjects in GATE Syllabus.
- B15.2. A department committee comprising the HoD or his/her nominee, two faculty members of the department and the faculty advisor shall coordinate for conducting the examination.

B16. Mid and End term examination

- B16.1. There will be one mid-term examination of *one and a half hours* duration for each lecture based or lecture cum practical course. There will be one End-term examination for *three hours duration* on each lecture based or lecture cum practical course.
- B16.2. All necessary charts & tables required in the exam will be provided by the Institute. While normal scientific calculators are permitted during exam, other electronic devices such as programmable calculators, calculators containing communication devices, smart watches and mobile phones are strictly prohibited to examinations. Any exception to these provisions must be specially approved by the Senate.

B17. Make-up examination

- B17.1. Students who miss the mid-term or the end-term examinations for valid reasons with due approval from the Institute, serious illness of self or a calamity in the family, are eligible for a make-up examination.
- B17.2. Those who miss mid-term and/or end-term exam should apply (in person or by email) to the HoD of the concerned course department (in the case of third and higher semesters) or to the first year HoD (in the case of first/second semester) through the faculty advisor within five days after the missed exam, giving the reasons for absence. Applications received after this period will not be entertained. All make-up exams for mid-term test should be completed with evaluation within 10 days prior to the end-term exam. All the make-up exams pertaining to the end-term exam should be conducted and evaluated within the dates as laid down in the academic calendar or as notified separately.
- B17.3. Permission to appear for make-up exam will be given under exceptional circumstances such as admission to a hospital due to illness or grave family calamities or with appropriate permission, etc.

Students residing in the Hostels should produce a Medical Certificate issued by Institute Medical Officer (IMO), certifying that he/she was admitted to hospital during the period of exam. The application should be routed through and approved by Chief Warden.

Students residing outside the campus must produce a medical certificate from a Registered Medical practitioner and the same should be duly endorsed by parent/guardian and also by IMO, within five days.

- B17.4. A student who misses the make-up exam will normally not be given another make-up exam. However, in exceptional cases of prolonged illness resulting in the student missing a make-up exam, the Chairperson of the Senate may permit the student to appear for a second make-up exam.
- B17.5. If a make-up exam is requested for end term examination, the highest grade that can be awarded is 'A' grade.

B18. Re-examination

- B18.1 In order to provide an additional opportunity to the students who obtained 'F' (Fail) grade in one or more registered subjects in the ODD and/or EVEN semester in an year, re-examination equivalent to the End-semester examination are centrally arranged by the exam cell of the Institute. They will be conducted within fifteen days from the declaration of the ODD or EVEN semester results. Re-examination will be offered only if there is at least one student failed in any course pertaining to respective semester.

The student(s) proved to have carried out Unfair means during the End Semester Examinations, are not eligible to write Re-Examination.

- B18.2 In case of prolonged illness of a student, if he/she misses both the end term examination and its re-examination, the student must register for the course(s) as a backlog paper when it is offered.
- B18.3 The re-examination shall be held on dates laid down in the Academic Calendar or as notified separately.
- B18.4 The re-examination will be conducted for the End term exam component only [while the marks of minor and mid evaluation component will be retained]. The make-up examination for eligible students (if any) may also be conducted in this re-examination slot. The student will be awarded a grade as per the grading criteria followed for the course during the semester. The result will be published within a week from the last examination.
- B18.5 Students intending to appear in re-examination must submit their application in the prescribed format to the concerned HoD within five days after publication of the results of the respective semester.

B18.6 *The highest grade that can be awarded in re-examination is 'C'.*

B19. Summer Term Courses

- B19.1. A summer course will run only for the designated courses of First Year and Final year for those students who got 'F' (Fail) grade in an earlier attempt. Offering summer term courses is up to the discretion of the department, depending on the availability of teachers to conduct the courses.
- B19.2. The students who have obtained 'F' grade in the end-semester examination as well as re-examination of a course are eligible to register for the summer term.
- B19.3. Students involved in an act of indiscipline are not eligible for registration to summer term.
- B19.4. Summer term courses will be announced by the AAC after the publication of results of the even semester. A student is allowed to register for a maximum of 12 credits in summer term.
- B19.5. The total number of contact hours in any summer term course will be the same as in the regular semester course. The assessment procedure and grading policy in a summer term

course will also be similar to that for a regular semester course. However, the highest grade that can be awarded in summer term is 'C'.

B19.6. Student drop from a summer term course is not permitted.

B19.7. A student will have to register within the time stipulated in the announcement by paying the prescribed fees of ₹ 5000/- *per course*. The amount will change periodically as per Senate approval.

B20. Repetition of a Course

A student who was awarded 'F', 'W' or 'US' grade in a course has to repeat it compulsorily when it is offered next. However, if a student is awarded 'F' or 'W' grade in an elective course, they can choose a different elective.

B21. Project Evaluation

B21.1. The B.Tech. project is done in the final year of the undergraduate programme and is divided into two stages.

B21.2 Normally, the first stage is done in ODD semester and the second stage in subsequent EVEN semester. Through the project work, the student has to exhibit both the analytical and practical skills. On completion of the project, the student will submit a project report that will be evaluated by duly appointed examiners. A panel of examiners should be finalized by HoD in consultation with all faculty members of the concerned department. The project evaluation will be based on combining the reports of internal and external examiners (outside the department). Suitable weightage must be given to the qualitative and quantitative results of the project and are evaluated by a viva-voce exam.

B21.3 The Institute promotes industrial training and internships at B.Tech level. The students can opt for project internships at Industries, Indian (IIT/NIT)/ Foreign Universities, CSIR Labs, R&D Labs, Public sector undertakings, Government, Social Internships (NGO) or with any other reputed organisation. Institute Policy for B.Tech Students in carrying out 8th Semester Internship is provided in the ANNEXURE (*Amended in 25th Senate Meeting*)

B22. Grading

B22.1. The faculty will return evaluated tests, assignments, tutorials, term papers, etc., within two weeks after their respective test/examination etc.

B22.2. Only the final grades (after approval by DCC) of all the students should be communicated by the teachers of the courses. Students may seek clarification regarding grades etc., from the concerned Course coordinator, if required.

B22.3. The DCC meeting will be convened within ten days after the last day of the end-term examination. The letter grades to be awarded to the students for different subjects will be finalized in the meeting.

B22.4. The use of a relative grading structure is mandated for all B. Tech Programmes. Based on the relative performance, each student is awarded a final letter grade for each of the course. The letter grades and the grade points are as follows.

Grade	Grade Points (GP)
S	10
A	9
B	8
C	7

D	6
P	5
F	0 (Failure)
W	0 (Failure due to insufficient attendance)
I	0 (Actual grade to be awarded later)
SA	0 (Satisfactory, only for Pass/Fail Courses)
US	0 (Unsatisfactory, only for Pass/Fail Courses)

B22.5. A student is considered to have credited a course or earned credits for a course only if he/she secures a grade other than F, W or I for that course.

B22.6. A 'W' grade is treated as equivalent to 'F' for the purpose of CGPA calculation, and the following criteria, in addition to poor attendance may be considered for the award of 'W' grade:

- i) badly incomplete in-semester record (due to non-medical reasons),
- ii) misconduct or use of unfair means in the examination, assignments, etc., or a behavior serious enough to call for disciplinary action in the opinion of the Faculty Advisor or course coordinator.

In such cases, award of 'W' grade is taken up as an immediate action. Further, the case may be referred to the disciplinary committee for consideration of further punishment depending on the seriousness of the offence.

B23. Declaration of Results

B23.1. The course instructor may allow the students to see the evaluated answer scripts, as long as this is done before finalization of grades. The time limit fixed for such a disclosure is five days before the last date for receiving grades in the Exam Cell.

B23.2. Two copies of the result sheets for the respective course containing the final grade along with two copies with the absolute marks & grades should be submitted to the concerned DCC.

After finalization of the grades at the DCC meeting, hard and soft copies of consolidated result with

- i) absolute marks and grades
- ii) only grades, will be forwarded by the HoD to the Exam cell.

A record of the approved consolidated result should be sent by the Exam cell back to the concerned HoDs.

B23.3. The Exam cell must announce the results of all the courses.

B23.4. Once grades are published, changes if any, will be allowed in case of tabulation errors only. A request for re-tabulation can be made by student to the course teacher within 2 days of result publication. A request for changes in grade due to tabulation errors (if any) can be made by the teacher of the course, by forwarding the request through the DCC to Exam cell.

B24. Grade Point Averages

The academic performance of a student in a semester is indicated by the Semester Grade Point Average (SGPA).

$$SGPA = \frac{\sum(C \times GP)}{\sum C}$$

Where, 'C' is the credit of the registered course and the summation is taken over all the

registered courses by the student in the semester, except Pass/Fail (i.e., Non-Credit) courses.

‘GP’ is the grade point obtained for the creditable course. The performance of a student up to and including a particular semester (and summer term) is indicated by the earned credits and the Cumulative Grade Point Average (CGPA).

$$CGPA = \frac{\sum(C \times GP)}{\sum C}$$

Where, the summation is taken for all the courses registered for by the student except Pass/Fail courses, up to and including the current semester and the summer terms.

Note: *SGPA and CGPA should be corrected up to two decimal places.*

The conversion formula to obtain percentage from CGPA is as follows.

$$\text{Percentage} = (CGPA - 0.5) \times 10.$$

B25. Grade Card

B25.1. The Grade Card issued at the end of the semester students, will contain the following:

- i) the code, title, credit, and category of each course registered in the semester,
- ii) the letter grade obtained,
- iii) the total number of credits earned by the student up to the end of that semester in each category and grand total, and
- iv) SGPA and CGPA.

B25.2. Class/Division

Class/Division classification is based on CGPA calculated on a 10 point scale, and is as follows:

CGPA of 8.50 and above	:	First Class with Distinction
CGPA of 6.50 and above, but less than 8.50	:	First Class
CGPA of 5.50 and above, but less than 6.50	:	Second Class
CGPA of 5.00 and above, but less than 5.50	:	Pass

Awards: In order to encourage academic excellence, an Institute level award is constituted for the best outgoing student based on recommendations made by the HoD’s to Director through the AAC. Additionally, department wise merit certificates will be awarded based on recommendations of Director in consultation with the AAC and department HoDs. The decisions will be reviewed and need to be approved by Chairperson Senate and the Board of Governors (BOG).

B26. Permanent disqualification

A student will be permanently disqualified from the B.Tech programme if any of the following conditions is encountered:

B26.1. Due to unsatisfactory academic performance

- i) If the total number of backlog courses are more than 10 (ten) at the beginning of an academic year*
- ii) If a student exceeds more than 12 regular semesters from the date of first registration, excluding those semesters in which drop was taken on medical ground or for valid reason beyond control of the student.

*If this condition is met then the case will be referred to the Academic Advisory Committee (AAC). Such a student may be provided one opportunity to register for all the backlog courses in the following academic year. In doing so, if the student still has 60% or more of the registered courses as backlogs at the end of the academic year, then, student shall withdraw the admission.

B26.2. Due to Non-attendance, Non-registration or Indiscipline

- i) If a student neither gets permission for temporary discontinuation nor registers for any course during a semester before earning the minimum credit requirements for the award of the degree, then he/she is deemed to have discontinued the programme permanently and will not be permitted to continue the programme. However, such students may appeal to the Chairperson, Senate to reconsider their cases on merit basis.
- ii) A student may be required to leave the Institute on disciplinary grounds on the recommendation of the Disciplinary Committee.

B27. Eligibility for the award of B. Tech. Degree

B27.1. A student will be declared to be eligible for the award of the B.Tech. degree if they have-

- i) Registered and successfully credited all the core courses with a minimum CGPA of 5.5 for the entire programme,
- ii) Successfully acquired the credits in the different categories as specified in the curriculum corresponding to the discipline (branch) of their study within the stipulated time,
- iii) Has no dues with any sections of the Institute including hostels,
- iv) Completed all the required courses as specified in Table 1 with minimum credits of 168,
- v) Has no pending disciplinary action against him/her.

The award of the degree must be recommended by the Senate and approved by the Board of Governors of the Institute.

B28. Minors in various disciplines

B28.1. A “minor” is a thematic set of courses offered by a department for the students of other departments. When a student completes the set of minor courses, they are deemed to have acquired the knowledge related to the theme of the minor. The Institute is offering minors in the following four disciplines:

- i) Computer Science and Engineering
- ii) Electronics and Communication Engineering
- iii) Electrical Engineering
- iv) Computational Mathematics

The features and rules of this scheme are as follows.

B28.2. *Features*

- i) Courses for Minor specialization start from 4th semester and will normally be till 8th Semester.
- ii) Students from one department could register for the minor offered by any other department and NOT in the minor offered by their parent department.
- iii) Minor course depth would be set in view of the fact that the students of other departments will be able to opt for it.
- iv) Number of credits for earning a minor specialization range between 18-20. The department board of studies will decide the semester-wise courses to be offered in minor.

B28.3. **Rules**

- i) Students who have cleared all the courses of the first and second semesters in the first attempt and have obtained a **CGPA ≥ 7.0 upto 2nd semester** are eligible to register for minor courses. Registration for minors will be optional for all eligible students.
- ii) A student can opt for only one minor specialization and can apply for the minor towards the end of the third semester.
- iii) A student registered in a minor programme will not be allowed to do early completion of B.Tech programme, as per **B6**.
- iv) Students will give their minor discipline preferences, and their registration will be conducted as per the merit list prepared for the purpose.
- v) A maximum number of 30 (thirty) students will be allotted to a particular minor discipline, and the minimum number of students required to offer a minor will be 5 (five). If the number of students interested in a minor is less than 5, the decision to run the minor course or not will be at the discretion of the department.
- vi) When a department cancels the minor offering due to less registration or for any other reason, re-allotment will be done to the next preferred minor opted by the student in their preference order.
- vii) Minor, once allotted, cannot be changed. Also, the student will have to complete the minor along with their B.Tech degree. No additional semesters will be permitted to complete the minor.
- viii) Credits registered for minors will be over and above the minimum credits required for the award of B.Tech degree. Minor courses are to be registered over and above the normal registration of the student.
- ix) CGPA for minors will be calculated separately, independent of that calculated for the award of B.Tech degree.
- x) If a candidate gets an 'F' grade in any of the courses registered under a minor (including in re-examination), their minor will be discontinued.
- xi) After successful completion of the Minor specialization requirements, the student will be awarded a degree in "name of the parent department" with minor specialization in "name of the minor specialization" along with the details of the obtained CGPA.

B29. Withdrawal of Admission

As per the Institute policy updated from time to time.

B30. Unfair means during examinations

B30.1 Based on the nature of unfair means carried out by the student in the Theory/Practical/Dissertation/Project examinations, action will be taken as per the Institute policy updated from time to time (Ref: ANNEXURE).

B30.2 If a student is caught with/using unfair means in the examination, that student will be allowed to complete the exam (within the exam duration) with a fresh answer script after seizing all the unfair means material. The student shall be given a chance for appeal to the disciplinary committee before any action is taken. In the meanwhile, parents/guardian will also be intimated. Later disciplinary committee shall decide the quantum of punishment and counsel the student accordingly.

B31. Academic Committees

B31.1. Class Committee (CC) and Department Class Committee (DCC)

Every class of the B. Tech. programme shall have a Class Committee (CC) consisting of faculty and students. For the first/second semester of the B. Tech. programme, there will be a common CC constituted by the first year HoD. For third or higher semester classes of the B.Tech. programme, a semester wise, branch wise Department Class Committee (DCC) shall be constituted by the respective department HoD.

Constitution of the first/second semester CC:

- a) One Professor or a senior faculty not associated with teaching the class to act as Chairperson, who will be nominated by the Chairperson Academic Advisory Committee (AAC),
- b) Course coordinator of each of the courses,
- c) One student from each batch nominated by the Chairperson of the CC/elected with representation from all streams/batches,
- d) One of the faculty advisors of first/second semester students.

Constitution of third to eight semester DCC:

- a) HoD/HoD's nominee to act as Chairperson,
- b) All the Course coordinators offering courses,
- c) Faculty advisor of the class,
- d) Two students of the class nominated by the faculty advisor or elected by students among themselves.

The term of the CC/DCC shall be one semester. The committee shall meet at least twice during the semester. The Director and AAC shall have the right to be present in any meeting of any class committee. The faculty advisor shall record the proceedings of each meeting and communicate a copy of each meeting to the concerned HoD and AAC within three working days after the meeting.

Responsibilities of the CC/DCC:

- i) Review the progress of the classes periodically,
- ii) Discuss problems concerning curriculum, syllabi and conduct of the classes,
- iii) The CC/DCC, without the student members, is responsible for the finalization of the semester results,
- iv) The method of assessment for any course will be decided by the respective course coordinators in consultation with the CC/DCC (without the student members) and are announced to the students at the beginning of the semester.

B31.2. Department Board of Studies (BoS)

The constitution of the Department Board of Studies (BoS) is as follows:

Constitution:

- a) H.O.D ----- Chairperson
- b) All the regular faculty members of the department ----- Members
- c) Two outside/external experts from Academia/Industry/R&D Organisation ----- Members

Functions:

- i. The Chairperson may co-opt one more special invitee from Academia/Industry/R&D Organisation/Alumnus who will be invited for specific meetings, as nominated by BoS, with the approval of Chairperson Senate.
- ii. The tenure of the two outside/external experts will be for two years
- iii. Each department shall have a Board of Studies (BoS)
- iv. The BoS will look into all the programme requirements, curriculum and syllabus of courses offered by the department
- v. The quorum for each meeting shall be 70%.

Responsibilities:

- i. To monitor the conduct of all undergraduate and post graduate courses of the department
- ii. To ensure academic standard and excellence of the courses offered by the department
- iii. To develop/revise the curriculum for courses offered by the department, and recommend the same to Academic Advisory Committee (AAC).
- iv. Any appropriate responsibility or function assigned by the Senate or the Chairperson of the Senate or the BoS or the Chairperson of the BoS.

B31.3. Academic Advisory Committee (AAC)

The constitution of the Academic Affairs Committee (AAC) is as follows:

Constitution:

- a. Dean (Academics) – Chairperson
- b. Assistant Registrar (Academics) – Secretary
- c. Immediate previous Dean (Academics) – Member
- d. Associate Dean (Academics) – Member
- e. Two Director nominees - Member

Tenure of the Director nominee members will be for two years, who will be retiring alternate years.

Responsibilities:

- i. To scrutinize the degree requirements, syllabus, course content proposed by Board of Studies.
- ii. To review the academic performances of slow learners and assess the causes of their unsatisfactory performance.
- iii. To consider the applications of students for special academic provisions under exceptional circumstances.
- iv. To review the cases for termination of students and recommend termination of students to the Senate.
- v. To formulate/recommend changes in the rules and regulations for various academic programmes and recommend to the Senate.

B32. Power to modify

Notwithstanding all that has been stated above, the Senate has the right to modify any of the above regulations from time to time and it will be ratified in the subsequent senate meeting.

ANNEXURE

Institute Policy for B.Tech Students in carrying out 8th Semester Internship

National Institute of Technology Goa promotes industrial training and internships at B.Tech level. The students can opt for Internships at Industries, Indian (IIT/NIT)/Foreign Universities, CSIR Labs, R&D Labs, Public sector undertakings, Government, Social Internships (NGO) or with any other reputed Institutes.

1. Objectives

- i. The main objective of internship is to provide the real time technical/research skills to the students, and thus promoting industry/research ready professionals.
- ii. To gain practical exposure to the current industrial/research developments and apply the technical knowledge in solving real problems.
- iii. The students are exposed to acquire roles and responsibilities of an engineer.
- iv. To promote the development of engineering professional's in innovative problem solving approach supporting both academic as well as personal development.

2. Student benefits

- i. An opportunity to get absorbed by the Industry/Organization.
- ii. Practical exposure in an organizational setting & Industry environment, where theoretical aspects learned in classes are integrated into the practical world
- iii. To decide which among industry or research is a well-suited career option to pursue.
- iv. Opportunity to learn new skills, practice communication, teamwork and supplement knowledge.
- v. Opportunity to learn strategies like time management, multi-tasking, etc.
- vi. Make a valuable addition to their resume.
- vii. Enhances candidacy for higher education.
- viii. Networking to expand social circles and developing technical relationships.
- ix. An opportunity to evaluate the organization before committing to a full-time position.

3. Finding Internship

- i. Internship is a student centric activity. The task of finding an internship via Training and Placement cell (T&P Cell) for is a collective effort by the students and T&P Cell.
- ii. Students can find internships on their own also or through T&P Cell.
- iii. The students can forward contacts they have, if any, in various companies or through their Alumni, so that the Cell may formally invite these companies for Internships.
- iv. Any faculty member of the department, through his/her industry/academic contacts, can find internships for students.
- v. If a student finds an internship on his/her own, or a faculty member finds an internship for students, it is expected to inform the T&P Cell immediately about such internships.
- vi. The faculty coordinators/advisors will facilitate/guide and oversee the activities, and assist the students and T&P Cell wherever needed.
- vii. Internship as per the terms and conditions entered with institutions with which MOU has been signed.

Institute Policy for B.Tech Students in carrying out 8th Semester Internship

4. Roles and Responsibilities of Training & Placement Cell (T&P Cell)

The organizational structure of Training and placement cell while facilitating internships is as below:

- i. The Training & Placement Cell (T&P Cell) will coordinate and ensure smooth implementation of internship provisions through department heads and department's faculty and student coordinators.
- ii. T&P Cell will develop appropriate application forms, evaluation proforma or any other document needed for smooth execution of internships.
- iii. The role of T&P Cell would be of a facilitator and counsellor for internship related activities. It does NOT guarantee internship to a student even on his/her being registered with the cell. Applying for internship following the due procedure is entirely the responsibility of the student concerned.
- iv. Further, T&P Cell does not guarantee hiring/guaranteed position by the organisation eventually.

5. Internship with or without Pre-placement Offer (PPO) execution procedure

The T&P cell will normally arrange internship for students in industries/organizations of repute as per Institute guidelines. The following procedure is generally followed while arranging internships:

- i. Request Letter/Email from the office of Training & Placement cell (tpo@nitgoa.ac.in) of NIT Goa shall go to the industry/organisation seeking their willingness for providing the internship training/internship with Pre-placement Offer (PPO) for students of NIT Goa.
- ii. Upon industry/organisation's acceptance, the training slots and the number of seats allocated for internships will be communicated by the industry/organisation via Confirmation Letter/ Email.
- iii. Further, students' profile (*upon approval from the department*) is submitted to industry/organisation for their willingness for providing internship/internship with PPO.
- iv. In case the students arrange the internship themselves, the confirmation letter will be submitted by the students in the office of Training & Placement through concerned department.
- v. Based on the number of slots agreed by the Industry, T&P Officer (TPO) will allocate the students to the industry/organisation. In addition, the internship slots may be communicated by the TPO or other members of the T&P cell/coordinators who are looking after the Internship.
- vi. The internship policy is 'One-Student-One-Internship'. If a student earns an internship through the T&P cell, on accepting the internship offer, the student stands out of the internship process. As an exception to this rule occurs only if the industry/organisation fails to comply with their initial commitment (i.e., changes stipend, duration, role)

Institute Policy for B.Tech Students in carrying out 8th Semester Internship

- during/after the interview process, then the student shall have the right to not accept the internship offer.
- vii. Selected students on joining internship at the concerned Industry/Organization, should submit the Joining Report.
 - viii. Students will submit internship report after completion of internship.
 - ix. Internship certificate is to be obtained from the industry/organisation.
 - x. List of students who have completed their internship successfully will be recorded by T&P cell.

6. Institute Policy for 8th Semester B.Tech Students

6.1. Eligibility: Students who have successfully completed their seven semesters coursework without any backlogs are eligible to apply for internship in their 8th Semester.

6.2. Registration process

- i. All the 7th Semester B.Tech. students who is interested to carry out B.Tech Internships in collaboration with Industry/organisation will have to take approval from the Head of the concerned department, in the prescribed format. This will be facilitated by the department coordinators.
- ii. Upon approval from the department, the application is forwarded to T&P Cell.
- iii. The students should avoid making this request at the last minute, as this may lead to losing the opportunity to sit for internship process.
- iv. The student can apply for the internship on their own also. However, the permission to allow students for such internship will be considered with due recommendation of the department, after evaluating the Industry/organisation profile and internship terms. Department's recommendation will be forwarded to T&P Cell to ascertain the Industry/organisation credentials before providing consent for internship.
- v. After a student gets selected for the internship, the duration of the internship has to be informed to the HoD.

6.3. 8th Semester coursework completion

- i. The students interested to carry out internship in the 8th semester are encouraged to complete their 8th Semester course work requirements in the earlier semesters, as facilitated by the Institute rules and regulations.
- ii. In case, there are pending 8th Semester courses to be completed, they can be done through MOOCs platform and the successful credits earned through MOOCs shall be counted by the Institute for overall credit calculation.
- iii. A maximum of four MOOC courses can be carried out in their B.Tech Program.
- iv. The equivalence of the MOOC courses shall be decided by a committee comprising of HoD, Faculty advisor and concerned B.Tech Supervisor(s).
- v. It is the student's responsibility to register for the MOOCs course(s) within the due date and successfully complete the course(s).

Institute Policy for B.Tech Students in carrying out 8th Semester Internship

- vi. The certificate of course(s) completed through MOOC along with the obtained grade is to be submitted to the department at least a week before final result submission, as per Institute academic Calander.

6.4. Project Evaluation procedure

- i. All the departments will allocate B.Tech Supervisors by the start of 7th Semester.
- ii. As the students have carried out their 7th semester project work in NIT Goa, the student opting for B.Tech 8th Semester internship will continue his/her B.Tech project work under the same supervisor of NIT Goa.
- iii. Student proceeding for internship work to an Industry/organisation does not imply that there is a waiver from the academic requirements of NIT Goa. Candidate must follow the Institute academic calander or as intimated by the department and be physically present at NIT Goa during the Project's Mid Semester and End Semester evaluations and present his/her project progress report whenever required.
- iv. If the project work is not found to be of the required quality, the project duration will be extended.

7. On Campus Internship Opportunities

- i. Any student willing to undergo a winter/summer internship at NIT Goa, for a duration of 4 to 8 weeks, whether belonging to NIT Goa or any other Institute, must send an email request along with their Bio-data to the T&P cell/HoD/Faculty.
- ii. After scrutinising the application(s) by the departments, internship Supervisor allocation will be done.
- iii. Upon receiving confirmation for carrying out internship, the student can register for internship, by depositing a fee of Rs 500/- to the concerned account of T&P Cell.
- iv. No financial assistance will be provided by the Institute. However, if any Supervisor has any Research Project/Consultancy fund, stipend will be given as per the project/consultancy fund availability, whose details will be provided in the offer letter.
- v. Boarding will be provided by the Institute based on the availability of accommodation, on payment basis. Details will be informed in the offer letter.
- vi. Upon successful completion of the internship,
 - a. Students will have to submit an internship report to supervisor,
 - b. The supervisor will submit an evaluation report to T&P (Cell) through HoD,
 - c. T&P Cell will issue an Internship/Training certificate to the student.

Action taken in case of Unfair Mean Practices in Examinations

Rule No.	Unfair Practice	Found Copying	Action taken
1	If a student is caught having a mobile phone <i>or</i> Digital/Smart Watch/gadgets <i>or</i> High-End Calculators in which information can be stored; for the first time , even after announcement.	No	<ul style="list-style-type: none"> • The mobile will be ceased by the exam cell for that day. • The candidate is to be warned against carrying mobiles. • He/She <u>can</u> continue to write the exam. • His/Her Roll No. will be noted down by exam cell. • Parents will be informed and may be asked to report to Dean (Academics)
2	If a student is caught having a mobile phone <i>or</i> Digital/Smart Watch/gadgets <i>or</i> High-End Calculators in which information can be stored; for the second time , even after announcement.	No	<ul style="list-style-type: none"> • The specific paper will be cancelled. • Mobile will be ceased by the exam cell for that day. • He/She <u>can</u> continue to write subsequent exams. • His/Her Roll No. will be noted down by exam cell. • Parents will be informed to report to Dean (Academics)
3	If a student is caught having a mobile phone <i>or</i> Digital/Smart Watch/gadgets <i>or</i> High-End Calculators in which information can be stored; for more than two times , even after announcement.	No	<ul style="list-style-type: none"> • The specific paper and <u>all</u> the subsequent paper's will be <u>cancelled</u>. • Mobile will be ceased by the exam cell for that day. • His/Her Roll No. will be noted down by exam cell • Parents will be informed to report to Dean (Academics)
4	If a student is caught having a mobile phone <i>or</i> Digital/Smart Watch/gadgets <i>or</i> High-End Calculators in which information can be stored; for the first time .	Yes	<ul style="list-style-type: none"> • The specific paper will be cancelled. • The mobile will be ceased by the exam cell for that day. • The candidate is to be warned against carrying mobile and cheating. • He/She <u>can</u> continue to write subsequent exams • His/Her Roll No. will be noted down by exam cell. • Parents will be informed to report to Dean (Academics)
5	If a student is caught having a mobile phone <i>or</i> Digital/Smart Watch/gadgets <i>or</i> High-End Calculators in which information can be stored; for the second time , even after warnings.	Yes	<ul style="list-style-type: none"> • The specific paper will be cancelled. • Mobile will be ceased by the exam cell for that day. • He/She <u>cannot</u> continue to write subsequent exams. • His/Her Roll No. will be noted down by exam cell. • Parents will be informed to report to Dean (Academics)
