B.1 Action taken report on the decisions taken in the last meeting of the BWC

BWC took note of the decision taken in the last meeting of BWC.

Agenda: Repairs and painting work for hostels of NIT Goa

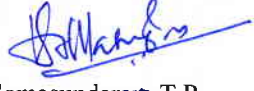

A preliminary estimate of Rs.72,45,294/- has been submitted by CPWD Goa for the Repairs and painting work of hostels of NIT Goa which also includes the repair work of Hostels toilets, electrical work and underground tank sumps for water storage. The preliminary estimation submitted by CPWD will be tabled in BWC meeting. BWC may review and approve the same.

Resolution: BWC visited the hostel buildings and examined their existing condition. Based on that, BWC recommends that the terrace of all the hostel blocks should be covered with profile sheet roofing with 1.2 meters projection from external wall lines, for which CPWD shall submit a separate estimate. CPWD should complete the above work (roofing) before 15th May 2017.

BWC recommended that the estimate of Rs 72,45,294/- submitted by CPWD for repair and painting work of hostels be approved subject to non-execution of chemical water proofing treatment on terrace of existing hostel buildings, as provision of profile sheets covering is proposed.
