Undertaking for Summer Internship Program at GOA

I hereby declare that I am associated with National Institute of Technology Goa for a **summer internship program 2026**:

I undertake that during the course of my internship at NIT Goa:

- I will not use any material protected under copyright laws beyond the scope of fair use, unless explicit permission has been obtained from the rightful owner from NIT Goa / other.
- I will not reproduce or disseminate any potentially copyrightable material generated during or after the internship period, except that which qualifies as fair use. I understand that I shall retain only moral rights to such material.
- I understand that any unauthorized disclosure through publication either during or after the internship, may result in legal action as per applicable laws.
- I will not disclose any patentable inventions, innovations, technologies, or trademarks developed by me individually or jointly with others during the internship to any third party after the termination of this agreement.
- I hereby assign and transfer to NIT Goa, absolutely and irrevocably, all rights related to intellectual property created during the course of my work at NIT Goa.
- I agree to abide by all rules, regulations, and policies of NIT Goa throughout the period of my internship.
- I have read and understood the guidelines of the internship program at NIT Goa and commit to fully comply with them.
- I confirm that the work undertaken during this internship is separate from and unrelated to my B.Tech. project work at my parent institution where I am currently enrolled as a bonafide student.
- I declare that all information provided in my internship application is true and correct to the best of my knowledge.
- I have submitted a valid Bonafide Certificate / No Objection Certificate (NOC) duly approved by the Head of my Department/Institution.
- I hereby declare that my internship work at NIT Goa is entirely distinct from any project work undertaken as part of my degree program at my home institute.
