About Conference

The global economy is undergoing rapid transformations driven by trade wars, technological advancements, demographic shifts, climate change, and evolving monetary & fiscal policies. Understanding the intricate linkages between economic growth, macroeconomic stability, and sustainable finance is essential for policymakers, researchers, and practitioners alike. This conference explores the critical intersections of applied economics and sustainability, offering a platform for rigorous debate and knowledge exchange.

About The Applied Economics Society (TAES)

The Applied Economics Society (TAES) is registered under the Indian Society Registration Act of 1860. The objective of the society is to organize annual conferences, seminars, summer schools, winter schools, faculty development programs, workshops, and symposia across different regions of India. Further, it promotes the development and application of econometric methodologies among students, researchers, scholars, and faculty members in various colleges and universities across India.

About NIT Goa

The National Institute of Technology Goa (NIT Goa) is a premier national-level technical institute in India established in 2010 by an act of parliament (NIT Act, 2007 and NIT (Amendment) Act, 2012). NIT Goa is an autonomous institute functioning under the aegis of Ministry of Education (MoE), Government of India, and has been declared an "Institute of National Importance". The Campus is located at Kottamoll Plateau, Cuncolim Municipal Area, Salcete Taluka, South Goa District, Goa - 403703.
